

# Devon Youth Wind Orchestra 2019-2020

## Application Form

---

Welcome to 2019 – 2020, we have a full and varied programme for you which is outlined in the Calendar of Events below.

DYWO is run by Committee Members, the majority of us are parents of past or present members of the band. Committee Members undertake a lot of voluntary work behind the scenes to ensure that your child has a positive and safe experience and whilst rules are few, it has become necessary as a voluntary organisation, to adopt a slightly more formal structure to maintain DYWO's musical excellence and meet safety requirements. With this in mind, it has been necessary for the Committee to devise a sustainability plan:

Parent/Carers could- and some already do, offer a huge support base to the band. Each year, as part of your child's membership, there is an expectation that each parent/carer will assist in providing supervision at a gathering day to enable us to meet the required adult/child ratio for 1/2 day or whole day once a year. We do recognise that some of you have younger children and this is not possible, if this applies to you then please do let us know. All that is required, is for you to be present and if you can help with one or two generic tasks; great- and you will also get to enjoy listening to the band develop their musical skills. Of course, if you are able to keep Steve constantly supplied with coffee, this would be an added bonus!

One of the greatest strengths of DYWO is the interaction of staff and band members in an informal and relaxed environment so please help us to continue by stating your availability on the application form. Please note, without your support, DYWO will not be able to continue.

Thank you in advance for your co-operation in the above request.
